**AS WE GATHER**

In a world where there is nothing new under the sun, we still run to anything that appears to be new. When Jesus taught in the synagogue, the hearers heard a man speak with the authority of the author of the Scriptures. They were surprised and even more surprised when His Word was not simply theoretical but silenced an unclean spirit and relieved the man of this demon. In their amazement, they could not help but tell the story to any who would listen. Yet even as Jesus’ fame spread, so did opposition to His teaching and preaching.
