

**In Person Worship Resuming on June 6th:**

At their meeting on Thursday the Board of Elders confirmed that our congregation will be resuming in person worship on Sunday, June 6. The restrictions in place at that time will allow for a maximum of 1/3 capacity of our sanctuary up to 60 people. Other restrictions including sanitizing, mask wearing, social distancing, etc. will also need to remain in place. Weekly registration will again be required, starting on Monday, May 31<sup>st</sup>. with seating to be assigned in advance. The deadline for weekly registration is 11:00am on the Friday prior to each Sunday's service. Services will also continue to be live streamed for any electing to delay their return until further restrictions have been lifted. We look forward to gathering together again as God's people for worship.
