

VBS2018 God's Promise on Life's Wild Ride

77 VBS students divided into 3 groups (24, 26, 27)

2 Co-directors

44 Volunteers

8 stations (Open/Close, Crafts, Games, Snacks, Music, Storytelling, Bible Challenge, Hydration)

"How does all this happen?" you ask . . .

The VBS starter kit is ordered in the fall. It arrives in January. That's when the work begins for the co-directors!

Volunteer recruitment begins in February. Decorating essentials, student materials and craft supplies are ordered from Concordia Publishing House.

Over the next few months, supplemental decorating supplies are gathered and craft supplies are augmented.

Site leaders receive their materials in March to begin their preparations.

"Save the Date" emails are sent out and registration begins in April.

An orientation/training meeting for the VBS team is held in early May.

A number of craft preparation and decorating nights are held in May & June and completed the weekend prior to our Monday morning VBS kick-off.

Our VBS2018 Mission Project

Sharing Jesus' amazing love with children in Madagascar!

We collected offerings for Madagascar Mission to give children their very own books to share God's Word with them.

We raised \$400.95, plus \$300 from FaithLife Financial, for a total of \$700.95.

Examples of what this support will do:

\$10 provides 4 Arch Books

\$15 provides 5 New Testament Outreach Bibles

\$25 gives 10 teen devotionals

\$100 sends 30 coloring books

\$170 provides a VBS starter kit

\$500 furnishes a Christian library for children

Thank you to **FaithLife Financial** for their commitment to provide a matching grant of \$300 in support of our VBS mission project.

"But how can they call to Him for help if they have not believed?"

And how can they believe if they have not heard the message?"

Romans 10:14
Good News Translation
